

LIFE GROUP QUESTIONS

REVIEW: Read Matthew 26:36-42 As we look at the Lord's Prayer, specifically "Your will be done." Was there anything in this text that caught your attention, spoke to you deeply or would like to comment on?

1. Read Matthew 6:10 Write down a one sentence answer in your own words as to what "Your will be done" means to you? And why?

2. Your will be done is about getting on God's page/the Bible and not our own page. Therefore "Your will be done" is about personal obedience to God's laws. Last week we saw that "Your kingdom come" was a battle between "The kingdom of God and the domain of darkness." But "Your will be done" shifts to a battle between "God's will and our will." What do the following verses teach us about this battle?

Galatians 5:16-17

Galatians 6:7-9 (Pay close attention to verse 9)

GOING DEEPER

1. Bonus Jeopardy question. Of course this one is optional, but I hope you give it a shot. Read Matthew 26:39. Jesus in trying to find another way to save mankind says, "If it is possible." But of course it is not possible to do this another way. BUT WAIT! Read Mark 9:23. Jesus said "all things are possible to him who believes." How do we reconcile these two verses?

2. It seems that "Your will be done" is all about obedience to the will of another. God obviously is the authority figure in our life. What is an area (s) where you might have trouble being obedient to an authority figure and why?

3. Luke 6:46-49 Here we see the benefits of living God's will. How many can you find?

TAKING IT HOME: What is the one thing you will put into practice from Sunday's teaching or tonight's lesson?
